## Rebuilt Parish Coaching

### Lead a Parish That's Alive in Christ & Growing Disciples

We help pastors and parish leaders like you bring clarity, energy, and transformation to your parish - so you can confidently grow disciples and reach the lost.

Are you feeling called to lead a more engaged parish - one that's growing disciples, reaching the unchurched, and staying anchored in your mission?

We know that renewal happens intentionally, not by chance.

**Be paired with an experienced Rebuilt coach who offers encouragement, accountability, and the Rebuilt model - a system that empowers not just the pastor, but the entire leadership team.**

We walk with Catholic parish leaders like you who need real support, honest conversation, and practical help to move forward.

*Rebuilt Coaching is a strategic, Spirit-led partnership grounded in our four Anchors:*
